For Immediate Release:
September 14, 2020

<u>Columbia County Department of Health's Mobile Testing Clinic Schedule</u>

Please note that we will be collecting insurance information for those tested.

Please be sure to bring a form of photo identification and your insurance information.

If you are uninsured or underinsured you may be eligible for a lower fee or no fee.

<u>Walk-up Clinic Schedule</u>
Tuesday September 22nd 9-11 AM Walk-up Clinic (Sidewalk in front of John L. Edwards) Hudson

Tuesday, September 29th 9-11 AM Walk-up Clinic (Sidewalk in front of John L. Edwards) Hudson

Pre-Registration is not necessary.

<u>Please see the following rules and details for all of the clinics above:</u>

Please be sure to bring a form of photo identification and insurance information.

Masks are REQUIRED for entry.

These tests will be nasopharyngeal swabs which are most useful to detect the virus in actively sick people. These are not antibody tests. The kits used at these testing sites are part of those purchased with the help of private donations to Columbia County.

Symptoms most typical of cases of COVID-19 include the following:
-Fever
-Cough
-Trouble Breathing
-Loss of Taste or Smell
-and/or any symptoms consistent with the CDC guidelines

We strongly recommend anyone feeling these symptoms be tested for COVID-19.

After leaving the test site, symptomatic residents should go directly home for mandatory quarantine until results are shared with them. Essential workers should plan on quarantining outside of work and being extremely cautious around those they come into contact with.

It may take up to five days to receive the test results. Everyone who gets tested at the site will receive their results once they are processed by LabCorp.

Law enforcement will be on-site along with EMS services.
